

Las Terceras semi-cured cheese trees with vegetables bread

INGREDIENTS

- Las Terceras **semi-cured cheese**
- Vegetables bread
- Edible gold spray

PREPARATION

First of all, cut Las Terceras cheese and, with a mold, with a mold to give shape of mountable tree. It takes patience to achieve the desired shape without breaking. Once we have all the mounted trees, sprinkle them with the edible spray to give them a different touch.

Second, we cut the bread in a star shapes, keeping in mind that they are the tree stands, so they should have an acceptable thickness. We make an incision in the center to fit the cheese trees. Finally, we can grate bread to decorate the plate.
