# LAS TERCERAS

In a bowl, we put the grated chocolate and the butter, we heat it minimally to be able to make a cream

In another bowl, beat the eggs together with the sugar (until it is very frothy) add the baking soda, vanilla and flour. Put the mixture of the previous bowl together and stir well.

Pour the dough into the baking tray and add the nuts.

We bake it at 180 degrees for 20 minutes, cover it with aluminum foil and continue baking 15 minutes more.

Let it cool and cut it in half with great care. We fill it with Las Terceras cheese in thick slices and cut it into portions.
